**SQUASH RECIPES**

**Bread Pudding in Small Squashes**

4 small winter squashes 5½ x 4 1/5 inches
¼ cup plus 1 Tbs. sugar
½ tsp. cinnamon
4 slices good homemade-type bread
1¾ cups milk
2 eggs
pinch of salt
¼ tsp. nutmeg
pinch of allspice
1/3 cup raisins
2 Tbs. brandy
½ pint vanilla ice cream

Cut ½ inch off the top of each squash. Trim the bottoms so that they sit securely, scrape out the insides, leaving 1/4 inch wall all around. Discard the seeds and save the meat for another use (such as squash fritters or squash soup). Sprinkle 1 Tbs. of the sugar around the interior walls of the squashes, then sprinkle the insides with a little of the cinnamon. Let stand about 1 hr.

Tear the bread into rough pieces and place in a bowl. Beat the milk and eggs together and pour over the bread. Stir in ¼ cup sugar, spices, and let stand 30 minutes. Meanwhile, soak the raisins in the brandy for 30 minutes.

Drain the squashes of any excess water. Stir the raisins into the bread mixture, then spoon equal amounts into the four squashes, mound the bread pudding over the top slightly (if you have too much, bake the remaining pudding in a buttered Pyrex cup).

Bake the squashes at 325˚ for one hour, covered, and for an additional 30 minutes, uncovered.

Serve hot with scoops of ice cream.
