

## **Retail Manager**

Carpinito Bros Pumpkin Patch and Corn Maze is a premier agritourism event in the Puget Sound, offering the finest pumpkin selection, extraordinary attractions, the best local produce, and top-notch fall family fun. We are currently seeking an experienced Retail Manager to assist ownership with daily operations. Our ideal candidate is a self-motivated leader, capable of adapting to the energetic environment the event brings.

This full-time position is from mid-September to October 31st, and could be a terrific filler job for those in transition.

## **Job Functions/ Responsibilities**

- Working alongside and reporting to ownership on daily basis
- Supervise various teams of employees
- Scheduling staff members
- Maintaining inventory
- Ordering merchandise
- General customer service management
- Employee training
- Understanding cash register functions

## **Qualifications**

- 3+ years of management experience
- Strong leadership skills
- Customer service oriented
- Adaptability
- Excellent verbal communication skills

If you are retail leader that's seeking short term work this fall at a notable company, let's talk! Email us your cover letter, resume and include your full name and contact phone number. We look forward to meeting you.
