

## Facility Handyman

Family owned and operated for over 50 years, Carpinito Brothers in Kent, WA has an immediate opening for a full time Facility Handyman.

As a handyman for our company you will work with our maintenance team to be responsible for the upkeep and repair of our retail store, storage buildings, residential style housing and their components. Applicants of all skill levels will be considered for this position.

### Your responsibilities may include:

- Carpentry
- Painting
- Plumbing repair (PVC, ABS, Copper, Galv. Pipe, PEX, Drain cleaning, etc.)
- Window, roof, and gutter maintenance
- Heating system maintenance
- Moderate 110/220V electrical troubleshooting, repair, and replacement
- Using a man lift to make repairs
- Fixture repair & installation (plumbing and electrical)
- Maintaining repair records
- Working as a team and independently
- Any and all other tasks requested

### Benefits Include:

- Healthcare
- Dental
- Vacation
- 401k

### Applicant's Requirements:

- Must have a valid driver's license
- Must provide your own basic tools
- Ability to climb ladders
- Ability to lift 50lbs. on occasion
- Ability to stand or kneel for extended periods of time

If you enjoy working with your hands, using your brain, doing different projects day to day, and take pride in your work, this may be the job for you. Apply Today!
