

## **Plant/Yard Operations Manager - Landscape Material**

Carpinito Brothers is a family-owned and operated supplier of landscape bark and soil products. For over 40 years, we've been a leader in providing quality landscape materials to retail outlets, commercial job sites, and homeowners throughout the Pacific Northwest. Our established, growth-oriented company is seeking a Plant & Yard Manager to oversee the daily operations of our bag manufacturing plant and bulk material yard. Our ideal candidate is a motivated, organized, idea-driven individual who is familiar with the landscape and/or construction industries. This is a unique opportunity to play an important role in the development and management of our wholesale divisions.

### **Responsibilities**

- Work with ownership on daily operations in our high-volume landscape material yard
- Manage daily operations of the bag manufacturing plant
- Track incoming and outgoing inventory to ensure adequate supply is available
- Develop thorough understanding of brand new fully-automated bagging equipment
- Help procure and create soil mixes for job-specific requirements
- Make decisions on production schedules and raw material orders
- Ensure that safety standards are implemented

### **Qualifications**

- Experience in yard or manufacturing processes
- Knowledge of landscape/construction industries is preferred
- Ability to think on your feet and adjust to a rapidly changing environment
- Proven leadership
- Ability to problem solve and apply critical thinking
- Strong time management and ability to stay organized
- Verbal and written communication skills
- Knowledge of Microsoft Office
