

## Produce Manager

Carpinito Bros. is a multifaceted, family-owned and operated company, located in Kent, WA. We are a year-round supplier of landscape materials. Seasonally, we operate a garden center, produce stand, pumpkin patch & corn maze, and Christmas tree lot – making our market truly one-of-a-kind.

Our current opening is a unique career opportunity to work for an award-winning, local, family-run company. We are seeking a full-time Produce Manager who is motivated, quick-thinking, and able to juggle multiple responsibilities with unwavering attention to detail. Our ideal candidate will have prior produce experience that they can apply to support the day-to-day functions of our produce operation.

### Responsibilities:

- Order, check, receive, and evaluate produce to ensure inventory levels, quality, product appeal, and freshness are meeting company standards.
- Assist with the daily receiving, cleaning, trimming, cutting, watering, and displaying produce.
- Construct effective and attractive promotional and seasonal displays.
- Manage proper storage, handling, inventory, rotation, and culling to control shrink and expenses.
- Ensure proper merchandising of products by understanding and implementing schematics, proper signage, and monitoring product flow.
- Engage in suggestive selling by assisting customers with product recommendations.
- Maintain sanitized and organized produce work area – including sales floor, produce sink, cooler, storage, etc.
- Ensure department associates are trained to properly perform work duties and monitor performance, resolving and reporting any issues as needed.

### Requirements:

- Working knowledge of all duties within produce department, including cleaning, trimming, cutting, watering, storing, handling, displaying, rotating, and culling.
- Strong communication skills, leadership, interpersonal skills, and ability to manage people.
- Ability to maintain composure when dealing with customers and co-workers.
- Knowledge of produce varieties, standards, perishability, food safety and handling, and sanitation procedures.
