

Retail Operations Manager

At Carpinito Brothers, we live, eat, and breathe local! Family-owned and operated, our busy retail market sells top-quality, locally-sourced products at competitively low prices.

We offer excellent career opportunities at our high volume, retail location. Our full-time jobs include a full benefit program and top industry wages. We are looking for a dedicated, hardworking individual who can assist the owners in successfully implementing the company's long-term strategy.

Job Summary:

As a manager of our retail store, this position is responsible for inventory management, merchandising, loss control, and personnel development.

Responsibilities may include, but are not limited to, the following:

- Ensure quality control standards are met on a daily basis
- Assist with verifying daily invoices and following up on product credits
- Train employees and provide performance feedback
- Oversee daily rotation of perishable inventory
- Lead by example, and provide employees with clear expectations and timely feedback

Required Skills / Qualifications:

- Previous produce department or garden center experience preferred
- Three years supervisory experience preferred
- Ability to utilize team members to rework and reset displays during changing seasons
- Self-motivated individual who leads by example
- Outstanding merchandising and display skills
- Ability to effectively delegate and follow-through to ensure tasks are completed to satisfaction
- Exceptional customer service skills
- Excellent time management and organizational abilities

* Top Industry Wages, Negotiable DOE

* Full Benefits including Vacation, Medical, & Dental
